

## Management + Operations

### Education

Coretrust has embedded sustainability, resilience, health and wellness, and performance into the culture of the organization. Corporate and building management teams engage in ongoing ESG conversations as part of standard operations as well as periodic education relevant to current and future topics, including:

- Market Trends
- Investor Trends
- Tenant Trends
- Emerging ESG Concepts
- Carbon Transparency
- Innovative Technologies
- Health + Wellness
- O+M Best Practices
- Design and Construction Best Practices
- Tenant Customer Engagement
- Employee Engagement
- Vendor Education
- Diversity, Equity & Inclusion
